## Actual Conversation

[Speaker 1-Son]

Father, how do I know I'm dating or married to the right woman? What signs show she is truly the one for me?

[Speaker 2-Father]

My son, wisdom in love is better than beauty in the eyes. When a woman brings peace, respect and loyalty into your life, hold her with care. For such women are rare treasures. Beauty can attract a man, but character keeps him.

Choose a woman whose heart is richer than her appearance. A good woman builds peace where others bring storms. Listen carefully.
